Warranty Statement

As Line Magnetic has become more and more well-known worldwide, we have increased our exports to international markets through our established authorised Distributor Network. Thanks to the great work done by our distributors, Line Magnetic now has the chance to enter audiophiles' rooms worldwide.

However, recently it has been brought to our attention that certain resale channels may have been selling counterfeit Line Magnetic branded products. We, Line Magnetic, hereby make the following official statements:

All Line Magnetic Audio products have been designed and assembled according to strict quality standards. Any counterfeit products may pose unknown safety hazards or quality concerns. We strongly recommend that all our customers buy only from our authorised distributors or dealers.

Including, but not limited to, the following listed websites are not our authorised agents or the resellers of our authorised agents. Line Magnetic will not guarantee the origin of any products sold on such websites and all products sold on such websites are not covered by our warranty.
